Mr. Lester Snow  
Executive Director  
CALFED Bay-Delta Program  
1416 9<sup>th</sup> Street  
Suite 1155  
Sacramento, CA 95814

Dear Mr. Snow,

Water conservation must be the solution to our Bay and Delta problems.

Canals, storage reservoirs, dredging and water diversion are not long-term solutions.

The only sustainable way to replenish the Bay and Delta is to use less water, and to use that water efficiently.

Sincerely,

Craig A. MacLeod
